

PRODUCT DESCRIPTION

XPRO Clear Paint Protection Film is a premium self-healing TPU film designed to provide long-lasting protection for automotive paint surfaces. With a glossy finish, it helps defend against scratches, road hazards, and environmental damage while preserving the vehicle's original appearance.

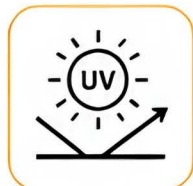

FEATURES

- Unmatched Impact Protection: Provides a durable barrier against scratches, cracks, road debris and stubborn tar stains, helping your car's finish remain flawless.

- Advanced Self-Healing Technology: Uses heat-activated properties that help minor scratches disappear and maintain a clean, glossy appearance.

- Comprehensive Environmental Resistance: Resists acids, insect residues and fluid spills while withstanding UV rays, acid rain and extreme temperatures for enduring protection.

- Effortless Installation & Maintenance: Designed for professional installation and clean removal, helping preserve the vehicle's original color and value.
